

Blunder

WHY SMART PEOPLE
MAKE BAD DECISIONS

ZACHARY SHORE

IF THERE WERE EVER A TIME TO
UNDERSTAND BLUNDERS,
THIS MUST BE IT.

O, The Oprah Magazine calls Blunder:

"Engaging," "witty," "cogent."

Newsweek says,

"Shore takes the adage about learning from past mistakes and turns it on its head."

"Not reading this book would be a blunder of historic proportions."

—Eric Weiner,
Author of the New York Times best-seller The Geography of Bliss.
